Hemingway's (and Peter's) ParisBy Peter KrynickiThere is probably a perception that Hemingway's Paris: A Writer's City in Words and Images, would be most appropriate for people who are interested in either Ernest Hemingway, Paris, or both, but I found another use for it. I was in Paris for ten days this past April and in spite of its heft I used it as a guidebook. While sipping a Lillet at Les Deux Magots I read about Hemingway stopping there and looked at the accompanying photo. (pgs 26-27). While sitting at one of the cafes on the Place Contrascarpe, I read about Ernest and Hadley's first apartment just around the corner (pgs 126 - 127) And a highlight was having dinner on the last night at the Closserie des Lilas and looking at the photos on pages 79 and 87, for example. I even showed them to the matre d' who was greatly impressed. You can join Ernest and Hadley in Paris through this book, but to take it there and almost reunite the photos with the places they show was a special treat.2 of 2 people found the following review helpful. Hardcover disappoints. . .By J.WagnerThe hardcover version is quite a disappointment compared to the softcover copy I almost purchased at my local bookstore. I thought

the high quality, glossy photos that I previewed in the softcover edition would merit paying more to own as a hardcover "keeper" for my home bookshelf. My bookstore only carried the softcover, so I was happy to find a hard-bound edition offered on for only a few dollars more. However the photos in the hardcover version I received (printed in USA) were grainy, low resolution, poor white balance and contrast, and printed on thin recycled-quality paper. Even the text is grainy and the whole feel is that it was photocopied on a low resolution inkjet. Fair warning to anyone else who expects art-quality photos in the hardcover version of what is an otherwise enjoyable collection of photo essays of blackwhite Paris. Will return and replace.3 of 3 people found the following review helpful. An engrossing, engaging, and intimate look at Hemingway's ParisBy gloria brzyckiI was captivated by the depth of feeling expressed by Robert Wheeler in presenting Hemingway's inspiration, craft, influence, and love of Hadley as he experienced life during his Paris years. The beautiful photography adds to, personalizes, and creates an introspective and sensitive look at and understanding of both Hemingway the person and Hemingway the gifted writer. You'll treasure and enjoy this marvelous insight into Hemingway that Robert Wheeler has created in his writings.

Read this book and savor Hemingways city. James Meredith, president, Ernest Hemingway Foundation and Society For the first time in trade paperback, experience Hemingways Paris in all its beauty and grandeur. In gorgeous black-and-white images, Hemingways Paris depicts a story of remarkable passionfor a city, a woman, and a time. No other city in any of his travels was as significant, professionally or emotionally, as Paris. And it remains there, all of the complexity, beauty, and intrigue that Hemingway describes in the pages of so much of his work. It is all still there for the reader and traveler to experiencethe history, the streets, and the city. Restaurants, hotels, homes, sites, and favorite bars are all detailed here. The ninety-five black-and-white photographs in Hemingways Paris are of the highest caliber. The accompanying text reveals Wheelers deep understanding of Hemingway: his torment, his talent, the obstacles he faced, and the places of refuge needed to nurture one of the preeminent writers of the twentieth century. Moved by the humanistic writing of Hemingway, Wheeler was inspired to travel throughout France, Italy, Spain, Africa, and Cuba, where he has sought to gain insight into the motivation behind Hemingways books and short stories. As a teacher, lecturer, and photojournalist, he set out to capture and interpret the Paris that Ernest Hemingway experienced in the first part of the twentieth century. Through his journal and photographs, Wheeler portrays the intimate connection Hemingway had with the woman he never stopped loving, Hadley, and with the city he loved most, Paris.

Achingly effective. Booklist, Starred Is Hemingways Paris ambitious? Yes. Does it work? Absolutely. The Huffington Post By showing us the Paris that Hemingway saw, walked through, and loved, Robert Wheeler gives us a more complete picture than we have had of this legendary and complicated American writer." Henry Louis Gates, Jr., Alphonse Fletcher University Professor and Director of the Hutchins Center for African and African American Research at Harvard University This book evokes not only the beauty of Paris but especially of Hemingways remembrance of the early Paris years and his formation as a modernist writer. The exquisite photography and the evocative beauty of the prose bring out the very best of what Paris has to offer: past, present, and, forever, the future. Read this book and savor Hemingways city. James Meredith, President, The Ernest Hemingway Foundation and Society Wheeler's photographs of Hemingway's Paris are a gritty illustration of what Perkins saw in Hemingway's writing. Jenny Phillips, grand-daughter of Hemingways longtime editor, Maxwell Perkins In this photographic tribute to Ernest Hemingway, Robert Wheeler uses his unerring eye and masterly vision to bring us Paris, city of literature and romance, in a unique and charming way. Inspired by A Moveable Feast, the crisp black-and-white images and accompanying narrative give us an original insight into both beloved city and renowned author. A delightful experience! Valerie Hemingway, Author of Running with the Bulls: My Years with the Hemingways If youre interested in Hemingway or Paris, this book is a must read. Sun Also Rises (Blog)
