**William Fields, Tony Carosella : Hermann, Missouri One of the Prettiest Towns in America** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hermann, Missouri One of the Prettiest Towns in America:

Hermann, Missouri is a town not only rich in heritage and culture, but also in beauty. In Hermann, Missouri, One of the Prettiest Towns in America, local photographers William Fields and Tony Carosella take you on a tour of Hermann, spotlighting her breathtaking landscapes, her majestic river, her architectural beauty and, of course, her people. With over 150 photographs, the book will allow you to see with your own eyes why Hermann has been called one of the prettiest towns in America by travel writers, national publications and now, by you.
