**Richard Harris : Hidden Baja: Including Tijuana, Ensenada, Mulege, La Paz, and Los Cabos (Hidden Travel)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hidden Baja: Including Tijuana, Ensenada, Mulege, La Paz, and Los Cabos (Hidden Travel):

2 of 2 people found the following review helpful. Good book good price!By Jason A. CanfieldHelps to navigate the

Baja region if you are unfamiliar. If you have been there more than three times or so most of the things in this book you'll probably already know about though. For a few dollars though it did have many interesting facts about Baja the people and culture. I do recommend it for people that enjoy the Baja California region. 8 of 11 people found the following review helpful. From beaches and lodging to outdoor adventure travel in Baja By Midwest Book Review Richard Harris' updated third edition Hidden Baja covers everything from beaches and lodging to outdoor adventure travel in Baja, providing details on a wealth of outdoor activities for those who are oriented toward adventure travel. Lesser-known byways of the region are the focus in a title packed with tips on travel through the region. 11 of 14 people found the following review helpful. Hidden Baja By A Customer Not a bad book if you looking at the areas of Northern Baja and the Cabo San Lucas area. Out of 258 pages about 130 pages cover these area while only 58 cover the remainder. There are much better books out there.

Hidden guides combine unique travel choices, outdoor adventures and little-known locales into a guide where vacations meet adventures. Each guide includes detailed maps, complete internet information for each listing, highlighted author favourites, suggested itineraries and walking and driving tours. Serving as both a travel guide and an outdoor adventure handbook, Hidden Baja is truly two guides in one.

The Hidden guidebook series hot-peppers its pages with little arrows that point to a multitude of off-the-tourist-track sites. About the Author Richard Harris has written over 30 travel guides including Hidden Cancun the Yucatan. He lives in Santa Fe, NM.
