Nancy Temple Rodrigue : Hidden Mickey 3: Wolf! The Legend of Tom Sawyer's Island before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hidden Mickey 3: Wolf! The Legend of Tom Sawyer's Island:

0 of 0 people found the following review helpful. A Very Different Direction By Trout26 I'm assuming that you've read the first two Hidden Mickey novels. If you haven't, stop reading this review now because (a) it has spoilers about the first two books and (b) you will have NO idea as to what is happening in this book. As my title suggests, this book goes in a very different direction than did the first two in the series. The first book was rooted in the "reality" of the

current 20th century, with the only real "fantasy" being the discovery of Walt's cryogenically preserved body in a room under the Pirates of the Caribbean on the last few pages. Book 2 started with this premise and then started to drift from reality near the end with the mysterious appearances of characters amid fog, a sudden storm, and pink sparks. And of course the red diamond pendant that allows anyone who holds it the ability to see into their future...The primary plot element that launches this book is that the pendant gets stolen from Walt's private apartment, and the ensuing story involves a complex plan to get it back. The main character is Wolf (a secondary character in book 2), and the main "concept" in this book is that things that happen in the "real" Disneyland have a direct effect on what happens in an alternate reality past; specifically, there is an "actual" Tom Sawyer in 19th century New Orleans, and as things change in Disneyland, changes occur there as well. Wolf has the ability to travel between these two realities and interact (albeit differently) in both. I haven't really given much away, because you learn all of this within the first few chapters. Quite frankly, I was very annoyed with these totally fantastic elements as they were introduced, but as I continued reading and enabled my "suspension of disbelief", I really enjoyed the characters and the clever way in which the plot played out. Although Lance and the other characters from the previous books play supporting roles, this book is about Wolf, Wals (a Disneyland Davy Crockett Canoe operator who was a minor character in book 2), a doctor who is new to this novel, and Rose, a woman from the 19th century. As with the other novels in this series, you have to be a fan of Disneyland (or at least be familiar with the park) to fully enjoy this book, but if you are (as am I), then this is a very entertaining diversion. A warning: this book doesn't really "end" - it "stops". You will have to read book 4 to see how everything finally comes out. 1 of 1 people found the following review helpful. Is this the same book series? By Steven Hutchinson Quite simply I loved the first book; it was built around so many facts that I could easily escape into the story and believe it. Going to Disneyland after reading that first book was a whole new experience and I thank the authors for that. However the facts that kept the story grounded start eroding away beginning at the ending of the first book and throughout the second book; until in this third book only the fantasy elements are all that are left in play. This new story is hard to believe in the world that was created in the first book. What's worse is almost nothing happens in this story, it's a setup for the continuing fourth book in the series. I miss the old characters who are sadly brought in randomly and only to try to help tie this book to the previous two. Unfortunately those random parts add nothing to the story as a whole; for example a section that introduces Lance's Mother who gifts him property in Paris and then disappears and is never brought up again. I can only assume that in book 4 something is going to happen in Paris otherwise why introduce the character to begin with. But alas I barely made it through this book to even care about the next one, so I will never know. 0 of 0 people found the following review helpful. I think Walt would be proud. By C. Dayley Another great read! I was so excited to get this book. There weren't enough free hours in my day to read. I went back and re-read the first two just to make sure the details were fresh in my mind. I'm glad I did, it helped to make the story that much richer. The telling of this story was so real, and the characters so believable, I kept wondering if I could actually find some of these people working in Disneyland. There are a lot of details going in this book that you really have to pay attention to what's going on or you could get a little lost if you're not careful. But it's so much fun, that you won't mind going back a couple of pages to make sure you're on the right track. I was a little frustrated with the ending but that's only because there is even more to the story, and I'm not very patient in waiting for the next installment. I'm thrilled to find out that there is not one, but two more books coming out with this series. As long as the authors keep up this level of storytelling, I will be anxiously awaiting their next books.

HIDDEN MICKEY 3 Wolf! The Legend of Tom Sawyer's Island The 3rd book in the Hidden Mickey series about Walt Disney and Disneyland written for Adults, Teens, Tweens (age 10 up). If you like Kingdom Keepers by Ridley Pearson you will LOVE Hidden Mickey Adventures. **WOULD YOU TO BREECH THE FABRIC OF TIME TO SAVE WALT'S LEGACY?** How far would you be willing to go to save your life--as well as the potential future of your boss, Walt Disney? Would you put your life in the hands of a mysterious security guard named Wolf who seems to have uncanny abilities that reach far beyond the realms of logic? Wolf has dedicated his life to guarding his boss Walt Disney. Little did he know how far-reaching that dedication would extend. **WOLF TIRELESSLY TRIES TO STOP A MALICIOUS VILLAIN** Dr. Claude Houser, a doctor and scientist employed by Walt Disney, finds his life and Walt's future threatened by an unknown blackmailer. Wolf sends Disneyland cast member Wals Davis to aid the doctor and a damsel in distress. Wals now finds himself in a bizarre--yet strangely familiar--setting where time moves differently and things that occur in the present seem to have a profound effect on things that happen in the past. **WILL THEY RETURN HOME OR BE STUCK IN THE VORTEX OF TIME?** It will take all of Wolf's cunning to bring three vastly different people back through the swirling vortex of time. This story continues in... **HIDDEN MICKEY 4 Wolf! Happily Ever After?** Another "E-Ticket" ride through Disney's history. Want to go on your own 'E-Ticket' adventure? Next time you visit a Disney Park you can play in Quests like Adam Lance by bringing with you a copy of **HIDDEN MICKEY ADVENTURES** in Disneyland - **HIDDEN MICKEY ADVENTURES** in Disney California Adventure, or for our east coast Fans: **HIDDEN MICKEY ADVENTURES** in WDW Magic Kingdom (or download one to your mobile device). **HIDDEN MICKEY 3: Wolf! The Legend of Tom Sawyer's Island** is Flesch-Kincaid Grade 5.0 - Flesch

A fascinating work of intrigue and fun, highly recommended Survival is heightened even further when you add career to the table. "Hidden Mickey 3 Wolf!" follows Dr. Claude Houser as he tries to guide himself and his boss, the legendary Walt Disney. Having to rely on a questionable security guard named Wolf. Faced with blackmail, Claude finds himself in the lead to finding something that resembles peace and trying to figure out simply who to trust is the hardest step. "Hidden Mickey 3 Wolf!" is a fascinating work of intrigue and fun, highly recommended. Midwest Book, Oregon, Wisconsin USA

From the Author Dear Readers, I am pleased to present to you the third book in the Hidden Mickey series: Wolf! The Legend of Tom Sawyer's Island. There has been a lot of interest in my new character Wolf who was introduced in Hidden Mickey 2: It All Started.... He is a very mysterious man and I felt he deserved to have his story told. I have also introduced a new element into the series--fantasy! You will still find the rollicking adventure you have come to expect in the Hidden Mickey series, but I think you will enjoy the new places to which you will be taken. You might notice how I used the words "River" and "Island" throughout the novel. While the correct rendering would not involve capital letters, I want you to think of the River and the Island as their own entities, a vital part of the story and the lives of the people therein. You may also have noticed this novel, as well as the next in the series, Hidden Mickey 4: Wolf! Happily Ever After?, and my new Hidden Mickey Adventures series, are all without David W. Smith's input. He is working on his own projects and I wish him the best. Your lingering questions from Hidden Mickey 2: It All Started... will be answered in this novel. And, as you have come to expect from Hidden Mickey, a few more questions will be raised in Wolf! I can't make it too easy for you! So, settle back in a comfortable chair, and "hang on to yer hats 'cause this here's going to be a wild ride!" Best Wishes, Nancy Temple Rodrigue

About the Author Nancy Temple Rodrigue lives in the small town of Lompoc, California, where she writes her novels. Nancy has been an avid Disney fan ever since she was 6 years old and went to Disneyland for the first time. Her novels show her admiration and respect for the man who started it all, Walt Disney. She loves to entertain as well as educate her readers while providing a means to have a great time inside the realm Walt Disney created. Nancy's first 4 books are in the HIDDEN MICKEY series, starting with HIDDEN MICKEY 1: Sometimes Dead Men DO Tell Tales!, then continuing with HIDDEN MICKEY 2: It All Started..., HIDDEN MICKEY 3: Wolf! The Legend of Tom Sawyer's Island, and HIDDEN MICKEY 4: Wolf! Happily Ever After?. Readers are immediately hooked and then can't wait to devour her other novel series, with a younger generation of clue solvers. The series starts with HIDDEN MICKEY ADVENTURES 1: Peter and the Wolf, and continues with HIDDEN MICKEY ADVENTURES 2: Peter and the Missing Mansion, HIDDEN MICKEY ADVENTURES 3: The Mermaid's Tale, HIDDEN MICKEY ADVENTURES 4: Revenge of the Wolf, and HIDDEN MICKEY ADVENTURES 5: When You Wish. Some readers were running the scavenger hunt quests that Adam and Lance ran in the first book, and this led to Nancy authoring the HIDDEN MICKEY QUESTS series so her readers could run even more quests when inside Disney parks. HIDDEN MICKEY ADVENTURES in Disneyland, HIDDEN MICKEY ADVENTURES in Disney California Adventure, and HIDDEN MICKEY ADVENTURES in WDW Magic Kingdom will allow readers to see the Disney parks with a brand new set of eyes. Nancy's fans also find her novel THE FAN LETTER to be a light and fun Romantic Fantasy, readers of all ages enjoy it! Nancy actively participates in book signings and speaking events, and she loves talking to people who enjoy her novels.
