Nancy Temple Rodrigue : Hidden Mickey Adventures 1: Peter and the Wolf before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hidden Mickey Adventures 1: Peter and the Wolf:

I was so captivated by the story and attached to the characters so much I could not put it down! I'm tired as I write this because I was awake all night reading when I should of slept! I'm glad I did!!! The Hidden Mickey Adventures pull you back into the history of Disney Company, Disneyland, studio and the man (Walt Disney). It shares the history in a unique and fun way taking you on an adventure as you learn some the history of Disneyland and

gain insight into the man who created it all. (All with great license and added mystery.) This is book 6 of the Hidden Mickey Adventures and the 1st in the second series. It picks up after the first series ends and brings the children of the main characters in the first series unknowingly taking over the quest their parents were and still are involved in. They follow a string of clues hidden by Walt Disney himself and that are guarded by the mysterious Mr. Wolf, who the children have known all their lives as a family friend. You can start reading the series with this book but if you have not read the first 5 books I suggest you pick them up and read them first. I also suggest you preorder HMA2 Peter and the Missing Mansion so you get it first when it comes out in November, 2013! (I already picked up my autographed copy at the 2013 D23 Expo.) 0 of 0 people found the following review helpful. Wonderful book! By skippy I loved this book all the subsequent sequels. I've recommended them to all my grandchildren. If you love Disneyland, you'll love these books! 0 of 0 people found the following review helpful. Love it By K. Simpson Great read, full of adventure. Great for all ages. Full of detail about Disneyland you feel like you are there. Highly recommended this author.

HIDDEN MICKEY ADVENTURES 1 Peter and the Wolf The 6th Hidden Mickey novel by Nancy Temple Rodrigue, following "Hidden Mickey 4.5: Unfinished Business - Wals". It features a new generation of clue solvers in the Walt Disney and Disneyland saga. If you like Kingdom Keepers by Ridley Pearson you will LOVE Hidden Mickey Adventures. Written for Adults, Teens, Tweens (age 9 up). **WHAT'S MORE EXCITING THAN A FAMILY DAY AT DISNEYLAND?** Ditching their family, Peter Brentwood and his younger brother stumble upon a letter from the Master Storyteller himself, Walt Disney. Following a clue in the letter they are immediately caught up in what they thought was an innocently fun treasure hunt. **SOMEONE ELSE DISCOVERS THEIR HUNT FOR HIDDEN TREASURE.** The quest takes a serious turn when someone in a trusted position begins tracking their every move, hungering for the treasure for himself. **WILL LONG-HELD SECRETS BE FORCIBLY REVEALED?** The secrets Lance and Kimberly Brentwood have closely guarded could rip their family apart if compromised. At stake is something they hold very dear: Walt's Legacy. **WATCH AS THIS YOUNGER GENERATION OF TREASURE HUNTERS GRAPPLE WITH AN IMPOSING AND FEARSOME MENACE** Wolf, their friend and protector steps in, but is it too little, too late? Uncover secrets of Disneyland and the Disney Studios in Burbank as we watch the drama unfold. **YOU WILL NEVER LOOK AT DISNEYLAND THE SAME AGAIN!** The story continues in... **HIDDEN MICKEY ADVENTURES 2: Peter and the Missing Mansion** Another "E-Ticket" ride through Disney's history. Want to go on your own 'E-Ticket' adventure? Next time you visit a Disney Park you can play in Quests like Adam Lance by bringing with you a copy of **HIDDEN MICKEY ADVENTURES in Disneyland - HIDDEN MICKEY ADVENTURES in Disney California Adventure, or HIDDEN MICKEY ADVENTURES in WDW Magic Kingdom in Walt Disney World, Florida.** (buy the paperback or download one to your mobile device). **Hidden Mickey Adventures 1: Peter and the Wolf is Flesch-Kincaid Grade 4.9 - Flesch Reading Ease 81.2**

Action packed! This is the 1st novel of the new Hidden Mickey Adventures series. The Brentwood family has special ties to Disneyland. The mother, Kimberly, used to work there, and the father, Lance, still does. Their trio of teen and pre-teen boys, Peter, Michael and Andrew, know their way around the park like it's their hometown. On a typical family visit to the park, Michael discovers the first clue in a treasure hunt that Walt Disney himself had planted at the park decades before. The kids don't know that their parents found similar clues years ago and are following the kids progress in a magical technological control room hidden in their own house. Michael starts following the clues, but his older brother, Peter, finishes the quest. Rodrigue follows up her earlier multi-book adult series about the older Brentwoods with this new series, aimed at readers as young as 9. The book is very family friendly, reaching all readers with a writing style that will likely satisfy middle-grade readers as well as adults. The book's Disney detail is so detailed that readers will be able map the characters every move. This Hidden Mickey Adventure is chock full of adventure, where the children participate in a treasure hunt that puts their very lives in danger. The suspense involves a dangerous villain and Wolf, the time traveling and powerful character that is looking after them, ready to swoop in should anything happen. The Hidden Mickey hunters will likely return in a sequel, as this book ends on a cliffhanger. Disneyland is the great backdrop for this action packed novel! Kirkus, Austin, TX USA --
doublerbooks.com/reviews/hiddenmickeyadventures1.htmlengaging Disney-themed read, highly recommended **Hidden Mickey Adventures 1: Peter and the Wolf** is a novel ideal for young adults ages 9 and up, following Peter Brentwood and his younger brother on a mysterious adventure to discover the legacy of Walt Disney. Intrigued by a letter from Disney himself, they embark on what they think is a simple treasure hunt - but then a shadowy figure begins tracking their every move, and hidden family secrets come perilously close to being brought to light. They are fortunate to have a protector and friend in Wolf, but will his help tip the balance in time? **Hidden Mickey Adventures 1: Peter and the Wolf** is an engaging, Disney-themed read, highly recommended. midwestbookreview.com/cbw/sep_12.htm#Mystery/Suspense **Awesome adventure!** This book is a great addition to the Hidden Mickey series. If you haven't read the previous installments, you will definitely want to after going through this wonderful Disneyland adventure! There is plenty of humor and references to the other adventures without giving away anything. So nice to see the next generation of Disneyland fans on a fun filled and mysterious quest. An easy

read for the young and older readers alike. Makes you want to head to Disneyland and see what fun and exciting things can happen! Can't wait for the next edition to see what other intriguing scenarios take place. K. Kanack --

.com/reviewsFrom the AuthorDear Readers,I'd like to welcome you to my new Hidden Mickey Adventures series of novels. You will find the same level of excitement that you have come to expect from the Hidden Mickey novels while encountering a few new twists and turns as the journey continues.You will become reacquainted with some old friends from my first series of novels: Hidden Mickey: Sometimes Dead Men Do Tell Tales!; Hidden Mickey 2: It All Started...; Hidden Mickey 3: Wolf! The Legend of Tom Sawyer's Island; Hidden Mickey 4: Wolf! Happily Ever After?; and Hidden Mickey 4.5: Unfinished Business - Wals. Plus, you will be making some new friends along the way.In the opening chapter of this novel, you will find our Next Generation of clue-followers playing some of the games found in another book of mine: Hidden Mickey Adventures in Disneyland. After hearing from so many of you that had fun solving the quests I put into the first Hidden Mickey novel, I saw that it was time for a book that was entirely made up of games and quests that could be enjoyed when visiting Disneyland and Walt Disney World.So, settle back and enjoy the first adventure of Lance and Kimberly Brentwood's son Peter as he discovers his own hidden treasure from Walt Disney. And, it wouldn't be complete without assistance from our favorite security guard, Wolf!Enjoy the adventures,Nancy Temple Rodrigue About the AuthorNancy Temple Rodrigue lives in the small town of Lompoc, California, where she writes her novels.Nancy has been an avid Disney fan ever since she was 6 years old and went to Disneyland for the first time.
