Hidden Mickey Adventures! Here is a link to my review <http://pixiepranks-panstinkerbell.blogspot.com/2015/07/hidden-mickey-adventures-4-revenge-of.html> 2 of 2 people found the following review helpful. Fantastic treasure hunt and romp around the original Disneyland. By Charlie F Another great story and adventure set inside Disneyland. This allowed me to visit the park via the story, which I just have not had the time to do in person this year. The story opens the door for more character development and different ways the story line can continue. Anyone that is a fan of the 'only' park that Walt actually ever walked in will enjoy this story especially if they are able to visualize where the characters are in the park at different times. 1 of 1 people found the following review helpful.
