Nancy Temple Rodrigue : HIDDEN MICKEY ADVENTURES 5: When You Wish before purchasing it in order to gauge whether or not it would be worth my time, and all praised HIDDEN MICKEY ADVENTURES 5: When You Wish:

1 of 1 people found the following review helpful. Terrific Disney history and quest. By Charlie F Another terrific treasure hunt for young Peter to take and work out all the clues. He is having a difficult time right now and this is just what the "doctor ordered" to take his mind off of what is troubling him. Lot of open space for continuing adventures in the existing series, or even in a 'new' series. Brought back fond memories from when I first had a Disney Annual Pass,,and even when I started to lose favor with Disney and ultimately let the pass expire last year after 20+ years of

It's like the author knew what I wanted! The ending truly made the whole story, and tied together everything from the previous books as well. ANY Disney fan would enjoy this story. If you haven't read this yet but have read the others, DO IT! If you are new to the series, I highly recommend reading the whole thing in order. The first book may take a little getting used to, but it's so worth it!1 of 1 people found the following review helpful. Great BookBy CustomerHaving grown up in Southern California, and having watched Mickey Mouse Club as a child, and having actually worked at Disneyland, I have enjoyed reading this series very much. Great job.

In this timeless land of enchantment, the age of chivalry, magic and makebelieve are reborn--and fairy tales come true. Fantasyland is dedicatedto the young and the young-at-heart--to those who believe that when youwish upon a star, your dreams do come true." In this special, heart-touching story, we are taken back to the clue-driven storyline of the very first Hidden Mickey novels: Hidden Mickey 1: Sometimes Dead Men Do Tell Tales and Hidden Mickey 2: It All Started... With his partner in peril, Peter must work by himself to solve the riddles that Walt Disney set in place especially for him. As he strives to fulfill his destiny, Peter must learn what is reallyimportant--for himself, for his future, and for Walt's Legacy. Wolf and Omah are on hand, blackmailed by Walt to get what he wants: A glimpse into the future. Will they allow what was never done before--to take Walt with them through time itself? In Hidden Mickey Adventures 5: When You Wish, long-held secrets are divulged as three families try to move forward in the face of extreme distress. I hope you enjoy this exciting new Adventure.
