Nancy Temple Rodrigue : Hidden Mickey Adventures in WDW Magic Kingdom (Hidden Mickey Quests) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hidden Mickey

Adventures in WDW Magic Kingdom (Hidden Mickey Quests):

1 of 2 people found the following review helpful. Disappointed. By J The book is good, lots of games and fun facts, but not one thing on the actual hidden mickeys in the parks. I guess I was misled by the title, but i thought there would be at least one chapter or some hints on how to find at least some of the hidden mickeys. To say I was disappointed when i got the book and there was nothing in there to help me locate even one hidden mickey would be an understatement. I was devastated. If you are hoping this book will help you hunt down the hundreds of hidden mickeys at WDW think again. Yes, lots of puzzles and games and some facts and trivia, but nothing on hidden mickeys, how to find them, or even where to begin looking. 0 of 0 people found the following review helpful. Five Stars By Customer Fabulous fun book. 2 of 2 people found the following review helpful. Great fun for the Magic Kingdom By M. Zinkowsky My daughter and I received our copy in the mail last week, so she couldn't wait to go to the Magic Kingdom to give it a test run. We spent quite a bit of time doing the Junior Road Rally and had a blast. She loved walking from place to place looking at things in a new way and looking for things she hadn't seen before. We live in Florida and are Annual Passholders for Disney so we are always looking for something new to do, and this was a great new way to spend the day. We highly recommend this book to all who love Disney and want something new and different to do while there. This is a great way to spend time as a family if it's your 1st time or 100th time in the Magic Kingdom.

Make your Disney vacation **AWESOME** During a recent vacation, I took a copy of the book with me into the Magic Kingdom. The book is very lightweight and small, making it easy to carry while touring the parks. I, being someone I who knows quite a bit about the Magic Kingdom parks, found this to be a lot of fun. Many of the facts mentioned were new to me. It offered me the opportunity to find something new while vacationing in a park I have been to many, many times. While I did not complete all of the adventures, I did have a great time participating in the fun! I felt that people of all ages will definitely find this entertaining. I found that I would read the questions while standing in line, then headed out on my hunt for the answers afterwards.
