Salt Lake City and Beyond: Including Park City, Deer Valley, Alta and Snowbird:

Where Vacations Become Adventures! Each book in the Hidden series first reviews a destination's famed attractions. Then it invites the reader to go further by exploring hidden spots other guides overlook and by diving into outdoor activities enjoyed by today's active travelers. Targeting small inns and local restaurants while focusing on authentic settings and local culture, these guides offer a unique travel experience.-- New and improved maps that zoom in on each area and lead the traveler along the described route-- New features including checklists of author favorites, weekend itineraries, and walking tours-- Hidden spots -- loved by the local but missed by most visitors -- prominently marked in the margin-- Detailed descriptions of beaches, parks, and outdoor activities that take the reader beyond the sightseeing circuit to hike, bike, swim, snorkel, and camp-- Redesigned front and back covers that are more dynamic, more colorful, and easier to read-- Expanded internet information that includes email and Web site addresses for every listing-- Features a special chapter covering every aspect of the 2002 Winter Olympic Games, including maps-- Features valuable insider tips from a Utah-based author-- Includes walking tours of Temple Square, Ogden's turn-of-the-century railroad community, and old Park City's mining district

The Hidden guidebook series hot-peppers its pages with little arrows that point to a multitude of off-the-tourist-track sites. About the Author Kurt Repanshek is also author of Hidden Utah. He lives in Park City, UT.
