Richard Harris : Hidden Southwest: Including Arizona, New Mexico, Southern Utah, and Southwest Colorado before purchasing it in order to gage whether or not it would be worth my time, and all praised Hidden Southwest: Including Arizona, New Mexico, Southern Utah, and Southwest Colorado:

0 of 0 people found the following review helpful. Revealed hidden SouthwestBy Charles L. StrohOutstanding. Well

written; easy to read; thorough. I've only had the opportunity to use it in NE Arizona, but it provided me with a dozen sites I would not have otherwise known about.0 of 0 people found the following review helpful. Christmas PresentBy Penny HammackMy son and daughter-in-law really like the southwest region and frequently visit. My daughter-in-law asked for this for Christmas to use as a guidebook so they could broaden their travel experience. She was pleased with the present and it seemed to be exactly what she wanted.22 of 23 people found the following review helpful. Best places to stayBy A CustomerI had earlier editions of this book and just loved them. We found the best places to stay, motels and bed and breakfasts that are really special, at a great price. I used this book for planning many trips to the Southwest, for myself and friends, and it was always a great experience. It is the best reference books on places to eat and to stay, phone numbers of attractions etc. You can find every place in the Southwest. However, I would still use another travel guide for more detailed information about e.g. national parks and monuments or specific hiking tips.

Including Arizona, New Mexico, Southern Utah and Southwest Colorado; Let Las Vegas transform its bit of desert into billion-dollar resorts-they aren't covered in this book. This guide is happy to focus on the natural attractions, authentic historical sites and outdoor activities spread all across the arid Southwest. The guide leads travellers on a journey through an amazing landscape like no other-uncovering old ghost towns, frontier missions, regional festivals, lost redrock canyons, American Indian trading posts, hiking trails and whitewater rivers. Over 65 new maps; Unique lodging including a monastery, a tepee, a 200-year-old adobe hacienda, a former bank building circa 1882, a floating mobile home, and a fire lookout tower; Wild West! 5 dude ranches, 6 ghost towns, 52 places to horseback ride, 64 places to buy Indian crafts; Camp out: 76 campgrounds, 3323 campsites, 96 parks, 185 hiking trails, 39 places to boat; Dine out- 47 Southwest cuisine and 25 authentic Mexican restaurants

If it's a general car tour of the region you're planning, make this a part of the trip: it covers everything from unusual lodging and special local dining opportunities in the Southwest to byways and outdoor adventures to be had in the region. Hidden Southwest covers the diversity of people and places that composes the vast, varied terrain of Arizona, New Mexico, Southern Utah, and Southwest Colorado. From the desert oasis of metropolitan Phoenix and the art gallery of Santa Fe to the natural wonders of the Red Rock State Park and White Sands National Monument, Hidden Southwest shows readers the path to a unique travel experience. Whether a first time visitor to the Grand Canyon, a thrill-seeking rafter in search of white water, or shopping for authentic Navajo Rugs, Hidden Southwest has the details. Hidden Southwest provides reviews of one-of-a-kind sights, hotels, restaurants and outdoor adventures overlooked by most travelers, with the particularly hidden spots clearly marked in the margin of the text. Now in its third edition, this 600 page travel guide is more comprehensive and "user friendly" than ever! -- Midwest Book About the AuthorRichard Harris' fascination with ancient civilizations started in the Anasazi cliff dwellings of Colorado's Mesa Verde National Park, where he guided tours during the summer while in college. When he is not climbing over mesa and browsing trading posts, he is writing travel books for publishers such as Ulysses Press and Fodor's.
