Stewart Aitchison : Highroad Guide to the Arizona Mountains Grand Canyon before purchasing it in order to gage whether or not it would be worth my time, and all praised Highroad Guide to the Arizona Mountains Grand Canyon:

First-time visitors as well as seasoned explorers will find this book indispensable. Use this guide to experience and learn about one of America's most exquisite natural areas, Grand Canyon National Park. Then explore the rest of this great state. Whether you want to drive on famous Route 66; study the flora, fauna, and geologic history of buttes, mesas, and pinnacles; or visit an ancient cliff dwelling or Native American reservation, you will discover extensive information about it all in this comprehensive reference. This book brings together the natural history and features of Arizona in a format that is easy to use and packed with detailed information.

Head for the hills well-prepared with Highroad Mountain Guides. -- Travel Leisure
