Clifton Johnson : Highways and Byways of the Mississippi Valley (Classic Reprint) before purchasing it in order to gage whether or not it would be worth my time, and all praised Highways and Byways of the Mississippi Valley (Classic Reprint):

Excerpt from Highways and Byways of the Mississippi ValleyLike its predecessors, this volume concerns itself

especially with country life. To the traveller, no life is more interesting, and yet there is none with which it is so difficult to get into close and unconventional contact. Ordinarily, we get only casual glimpses. For this reason I have wandered much on country roads and lodged most of the time with the farm families or at the village hotels. In both text and pictures I have tried to show actual life and nature as I saw them in characteristic and interesting sections from one end to the other Of the vast valley. The volumes in this series are Often consulted by persons who are planning pleasure tours. TO make the books more helpful in this respect, I have ap pended to each chapter a note containing suggestions for intending travellers. With the aid of these notes, I think one can readily decide what regions one would like particularly to see, and know how to see such regions with the most comfort and facility. About the PublisherForgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.comThis book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
