**Lizann Dunegan : Hike Oregon: An Atlas of Oregon's Greatest Hiking Adventures (Hike America Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hike Oregon: An Atlas of Oregon's Greatest Hiking Adventures (Hike America Series):

3 of 3 people found the following review helpful. One of the Best Oregon Hiking Books!By A CustomerThis book

weaves the history of Oregon into its hike descriptions making it stand out from other hiking books. I had never been to Oregon before and the author is my tour guide as she describes the history of different parts of Oregon as well as the geology and plants and animals. The author also promotes responsible hiking with her dogs. I hike with my dog everywhere and this book gave me the nuts and bolts information I needed for how to train my dog for the trail and where to purchase gear which was very helpful. 4 of 4 people found the following review helpful. Enjoyable reading  
By A Customer  
This is a very well researched and written hiking book about Oregon. It stands above the crowd with its well researched hike descriptions (especially the Munra Point hike) which are filled with history and interesting geologic tidbits about Oregon. It is obvious the author loves what she does!

Lavishly detailed and richly illustrated, Hike America™ guides are the ultimate hiking guidebooks. Each book includes extensive information on hiking throughout the state or region. Each profile is richly illustrated with photography and provides: -- A general overview of the hike-- A description of any pertinent historical or geological points of interest-- A comprehensive, mile-by-mile description of the hike and what to look for-- Any special precautions; and special points along the way you won't want to miss-- A locator map showing you where in the state the hike is located-- Shaded relief maps to provide the reader with a clear picture of the terrain-- A profile map showing the elevation gain or loss and where the steeper sections of the hike occur along the way

From the Back Cover  
Featuring more than 100 of the state's best hikes, Hike Oregon is your ticket to experiencing the Beaver State's remarkable diversity. This one-of-a-kind guidebook will take you on hikes along rugged, rocky coastline to historic lighthouses; through scented, sagebrush high desert and magnificent lava plains; to the top of volcanic peaks; past cascading waterfalls; and alongside wild and scenic rivers. Use this guide to get a unique look at Oregon's colorful history, culture, vegetation, and wildlife. This guide includes comprehensive trail descriptions, from beginner to advanced; GPS-quality, digitally designed relief maps detailing each hike; accurate route profiles showing the ups and downs of each hike; mile-by-mile directional cues, difficulty ratings, elevation gain, trail contacts, local information, and much more; detailed information on what equipment you'll need, plus tips on trip planning, hiking with dogs, and hiking with children.
