Bill Cunningham, Polly Cunningham : Hiking Anza-Borrego Desert State Park: 25 Day And Overnight Hikes (Regional Hiking Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hiking Anza-Borrego Desert State Park: 25 Day And Overnight Hikes (Regional Hiking Series):

and geology of this very complex piece of desert. We have done about a half dozen of the hikes in the book, and we are using it to plan another trip to the park. Recommended!

By EagleRock Dude
I took a trip to Anza Borrego from Los Angeles this March. I wanted a guide to review before I got there. This fit the bill. I was able to plan a couple of hikes suited for a family with small kids, and learned some things in the process.
Good, handy book. Small and light enough that you can take it with you. I suppose if you were really into hiking and such, it would be even more useful, but for my level and price range it was great.
