Arizona HikingBy A CustomerThis edition has excellent descriptions of about 100 trails in various regions of Arizona. Unfortunately many are not accessible unless you have a high profile 4wd vehicle (unpaved roads). With many areas declared wilderness don't expect any more

roads to be paved. Also be aware of U.S. Forest fees that you may have to pay (\$5/day) if you park at trail heads.

A detailed guide to more than 100 of Arizona's best hikes, revised and updated.
