whether or not it would be worth my time, and all praised *Hiking Big Bend National Park: A Guide to the Big Bend Areas Greatest Hiking Adventures, including Big Bend Ranch State Park (Regional Hiking Series)*:

5 of 5 people found the following review helpful. Buy this book!  
By Lostie4ever  
What a great book to have when you go to Big Bend! I used this book to research the trails we wanted to hike before we got there. Lots of information on how to follow the trails that are not as clearly marked. Also good info on extra things to see when on some trails. This book is a great investment if you plan on hiking a lot in Big Bend.

Used it for a 5 day trip in the park ...  
By Customer  
Used it for a 5 day trip in the park and it was spot on. I think it grades a little to the extreme (some hikes it considered strenuous we found easy-moderate while carrying a 1 year old on our backs), but for the most part it was accurate as can be.

If anything it undersells how great some of the hikes are  
By jlcohoon  
Gives very accurate descriptions of the trails. If anything it undersells how great some of the hikes are. Best paired with a detailed map bought at the ranger station when you arrive.

For more than twenty-five years, FalconGuide has set the standard for outdoor recreation guidebooks. Written by top outdoors experts and enthusiasts, each guide invites you to experience the endless adventure and rugged beauty of the great outdoors.
