**Bill Schneider : Hiking Carlsbad Caverns Guadalupe Mountains National Parks (Regional Hiking Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hiking Carlsbad Caverns Guadalupe Mountains National Parks (Regional Hiking Series):

Carlsbad Caverns National Park in southeastern New Mexico is renowned for its amazing system of limestone caves. Both Carlsbad and the nearby Guadalupe Mountains National Park, just across the state line in Texas, are also blessed with spectacular above-ground trails. This thoroughly revised edition is the authoritative and the only comprehensive guide to all of the hiking trails in both parks.
