**Donald Pfitzer, Jimmy Jacobs : Hiking Georgia: A Guide to the State's Greatest Hiking Adventures (State Hiking Guides Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hiking Georgia: A Guide to the State's Greatest Hiking Adventures (State Hiking Guides Series):

The 4th edition of *Hiking Georgia* takes up where the last edition left off: poised to start hikers on some of the finest trekking adventures the Peach State has to offer. Whether the trails are in the high mountains of north Georgia, on coastal barrier islands or in fertile Piedmont river valleys, the flora, fauna and scenery can be spectacular. The information in all 72 chapters is updated, incorporating a total of 15 new trails. The hike descriptions offer directions, as well as GPS-tracked color trail maps and elevation charts to make the journey easier and more enjoyable. To whet your appetite for the adventures, all new color images offer glimpses of what lies around many of the bends in the paths.
