There is a step by step description about each hike and what to expect, which direction to go at crossroads and the mileage at which to expect what... Solid.2 of 2 people found the following review helpful. Okay bookBy Drakes21This is an okay book. It covers one good trail for every location, I wish there were more trails listed. There are also other locations in Minnesota that I believe should have been covered instead of others. I would suggest buying this used, as I don't think it is worth the full price.0 of 0 people found the following review helpful. Five StarsBy Lori Anderkaygood
