It is well organized and helps you plan your hike based on park entrance, season, level of difficulty and aesthetics---or all of the above. Also included are outstanding photos as well as background information about the trails. I'm so pleased.0 of 0 people found the following review helpful. ExcellentBy CustomerVery thorough and detailed with great maps and great descriptions of the hikes!0 of 0 people found the following review helpful. Five StarsBy jaime salinasEasy to use and very explicit.
