A Falcon Guide by Larry Pletcher.360-page softcover book with black and white photos, maps and charts; 6 x 9 inches. Second edition (2001). | File size: 49.Mb

**Larry Pletcher : Hiking New Hampshire (State Hiking Guides Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hiking New Hampshire (State Hiking Guides Series):

1 of 1 people found the following review helpful. Great organized book easy to comprehendBy Buckeye68Well laid-out book. This book contains all the classics and is very easy to read and understand. Every Falcon Guide book I've purchased is fantastic so I will continue buying from them. The author, Larry Pletcher, describes each hike very well and makes me want to do every one!  
0 of 0 people found the following review helpful. in good condition. Over an excellent book--exciting for the warmer ...By JulianneArrived quickly, in good condition. Over an excellent book--exciting for the warmer months to really break into this book. Would recommend to anyone living in NH!  
1 of 1 people found the following review helpful. This is well organized and easy to readBy Lynne OberThis is well organized and easy to read. If you didn't want to hike in New Hampshire before, this book will get you off the couch and out onto the trails to see the beautiful scenery.

Outdoor photographer, writer, and veteran hiker Larry Pletcher adds 20 new hikes to *Hiking New Hampshire*, making it one of the most comprehensive resources on hiking the finest trails in the Granite State. Each of the 100 hike descriptions contains easy-to-follow driving directions, up-to-date trail information, accurate maps and elevation graphs, black-and-white photos, and information on the wildlife and attractions of the area. The hikes range from easy strolls to overnight backpacking excursions along mountain peaks and ridge tops. The guide also includes information on hiking with children, barrier-free trails, and no-trace camping tips.

From the Back CoverLace up your boots and sample 100 of the finest hiking trails in the Granite State. Explore the secluded headwaters of the Connecticut River in verdant North Country forest, climb the challenging Caps Ridge Trail over White Mountain granite, or amble along the shore of Shoal Pond. Veteran hiker and outdoor writer Larry Pletcher will introduce you to these trails and more. This guide contains up-to-date trail information, accurate directions to popular as well as less-traveled trails, detailed trail maps, information on hiking with children, locations of barrier-free trails and zero-impact camping tips. (6 x 9, 360 pages, bw photos, maps, charts) Availability note: This book is overdue from the printers as of early July 2001. Please don't use this page to order yet. This page will be updated to reflect the availability of the 7th edition as soon as we have the book. Sorry for the inconvenience and thanks.
