**Bruce Grubbs : Hiking Northern Arizona, 2nd (Regional Hiking Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hiking Northern Arizona, 2nd (Regional Hiking Series):

2 of 2 people found the following review helpful. Detailed but easy to carryBy Jennifer NelsonGreat book for using in your backpack. It comes with GPS starting points plus written instructions about "how to get there". Overall, I find it useful. I tend to fret and worry when I go hiking. I have an older dog and want to ensure the trail will work for her. The book lets me know if there is water available, if it's canine compatible, and the difficulty. The book also provides

maps, fee and permit information, and hiking distance with approximate time. It sometimes shows a picture.0 of 0 people found the following review helpful. "Great Hikes for the true outdoorsman"By CustomerGreat Descriptive Book...I hike over 500 miles a year , many trails covered in this book. Author did an excellent job with so many aspects and descriptions. Excellent book for my outdoor life...0 of 0 people found the following review helpful. Good Arizona Hiking InfoBy Desert Dogs2Lots of good information, but I wish it had more backpacking hikes. In any event, the info is good and I'll undoubtedly do a lot of the day hikes. Good trail descriptions.

Whether you are a day-tripper or long-distance hiker, old hand or novice, you'll find 120 trails suited to every ability and interest throughout northern Arizona.

From the Back CoverLace up your boots and sample 120 of the finest trails in northern Arizona. The great elevation range of this diverse region means you can hike year-round. When the southern deserts are hot, escape to the high alpine trails outside of Flagstaff. When the mountains are snow covered, follow the trails through desert flowers in the balmy red rock desert around Sedona. Veteran hiker and outdoor writer Bruce Grubbs will introduce you to these hikes and more. Use this guide for: up-to-date trail information; accurate directions to popular as well as less-traveled trails; difficulty ratings for each hike; easy-to-read maps and photos of trails; recommended hikes by category. Whether you are a day-tripper or long-distance hiker, old hand or novice, you'll find trails suited to every ability and interest throughout northern Arizona.
