Fred Barstad : Hiking Oregon's Eagle Cap Wilderness (Regional Hiking Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hiking Oregon's Eagle Cap Wilderness (Regional Hiking Series):

0 of 0 people found the following review helpful. Organized by trail segments without a good overview to help you find what you are looking ...By K. WilsonIt is full of information, but its kinda hard to find your way around. Organized by trail segments without a good overview to help you find what you are looking for. I think it would

benefit from an overview map that color coded route sections so you could easily pick out what you wanted to look at and then go to the relevant section for details. Other than that the book is helpful, could benefit from some notations on trail usage/capacity, camping capacities of some of the more popular areas etc. I certainly gained new information from reading the book and making notations, but it most likely won't make it into my pack as a "field guide". 0 of 0 people found the following review helpful. Five Stars By Customer Great book! 1 of 1 people found the following review helpful. Five Stars By Jill Lentz very informative book. A must for a thru backpacking in the Eagle Cap Wilderness

Eagle Cap Wilderness is premier backpacking country in the heart of eastern Oregon's lofty Wallowa Mountains. Glacial carved valleys hold more than 50 lakes nestled among rugged mountains, providing a recreation paradise. Hiking Oregon's Eagle Cap Wilderness is the only comprehensive trail guide to this showcase wilderness and features 100 hikes, 16 scramble climbing routes to craggy summits - including Matterhorn, Chief Joseph, and Aneroid mountains - and access information to the popular Dihedrals technical rock climbing area. This guide includes written trail descriptions, elevation charts, photo overlays showing the climbing routes, and detailed maps to help you plan for and enjoy your trip.

From the Back Cover Lace up your boots and head into Oregon's remote Wallowa Mountains. Explore this wonderland of more than fifty glacial lakes, miles of streams designated as National Wild and Scenic Rivers, hundreds of soaring peaks, and open meadows with elk, deer, bighorn sheep, coyote, black bear, and cougar. Climb Aneroid, Chief Joseph, and Matterhorn Mountains; hike the Eagle River, Cliff Creek, and Deadman Canyon; or visit Razz, Blue, and Bonny Lakes. Veteran hiker and outdoor writer Fred Barstad will introduce you to these trails and many more. Inside you'll find: up-to-date trail information; maps, photos, and elevation profiles; information on bears and cougars; difficulty, maintenance, and traffic ratings for each hike; access information to the Dihedrals climbing area. Whether you are planning a day hike or an extended backpacking trip, you'll find trails suited to every ability and interest in Oregon's Eagle Cap Wilderness.
