It's well-organized with thoughtful and informative comments. We loved knowing which hikes allowed dogs and the location, length and difficulty of the trails. We consulted this book on the trails, in the car and at the cabin. Just excellent.0 of 0 people found the following review helpful. Great purchase to plan your tripBy Spartan StudentReally enjoyed this guide. Spent a few nights in the park this past spring and this book made it very easy to organize our trip and directions for all activities were very clear.0 of 0 people found the following review helpful.
