Wonderful maps and pictures. Great format. Highly recommend. From very easy to difficult hikes. Something for everyone.0 of 0 people found the following review helpful. Excellent book. We used it twice nowBy CustomerExcellent book. We used it twice now. I was always looking for hikes online, but this is much better. It has maps of the hikes, detailed descriptions, even if you want to look for a hike based on your abilities list! I would recommend that for people who like weekend day hikes for sure!0 of 0 people found the following review helpful. Gearhart MemorialBy Kenneth K. MageeHaving hiked several of the trails he tells about, I agree with the huge loveliness he describes. I do wish he'd mentioned the memorial to the children killed near the beginning of the superb Gearhart Wilderness trail near Bly, Oregon. These were the only people killed by a Japanese balloon bomb in the lower 48 states during ww II, Ken Magee

With over 90 hikes in the Southern Cascades and Siskiyou Mountain Range, this book is easily the most comprehensive guide available for Southern Oregon's diverse hiking opportunities. Explore the Mount Thielsen, Sky Lakes, Mountain Lakes, Red Buttes, and Wild Rogue Wilderness Areas, and much more. This guide also covers all trails in Crater Lake National Park. Complete with maps, elevation profiles, and clear, informative hike narratives, this book is bound to be the standard against which all other guides for the area are judged.

From the Back CoverLace up your boots and sample some of the finest trails in Oregon's southern Cascades and Siskiyou. Hike through the towering volcanic peaks of the Cascades, where Crater Lake, Mount McLoughlin, and the canyon of the upper Rogue River cast a magical spell on visitors. Or explore the knife-edge ridges, botanical oddities, and spectacular river canyons of the ancient and rugged Siskiyou. Veteran hiker and outdoor writer Art Bernstein along with hiker/writer Zach Urness introduce you to memorable trails through wilderness areas, national forests, and national parks. Use this guide for up-to-date trail information, accurate directions to popular as well as less-traveled trails, difficulty ratings for each hike, detailed trail maps, and zero-impact camping tips. Whether you are a day-tripper or long-distance hiker, old hand or novice, you'll find trails suited to every ability and interest throughout the southern Cascades and Siskiyou.
