A wonderful resource!By MarciaWe are really enjoying the hikes described in this book. Some were known to us already, but many were not. The information is very thorough as are the directions. We've recommended it to many others.0 of 0 people found the following review helpful. Love this book!By CustomerOne of the best hiking books I own! I use it often.

78 hikes, including 4 backpacking trails Updated and expanded edition with several newly blazed trails Paths to scenic vistas, waterfalls, and natural wonders Detailed maps and first-hand descriptions of each hike Color photos of the region's remarkable beauty Essential information on duration, distance, difficulty, elevation, and highlights along the way
