Lisa Densmore Ballard : Hiking the White Mountains: A Guide To New Hampshire's Best Hiking Adventures (Regional Hiking Series)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Hiking the White Mountains: A Guide To New Hampshire's Best Hiking Adventures* (Regional Hiking Series):

1 of 1 people found the following review helpful. for the advanced hiker
By Kristin E Raven
The vast majority of the hike described are either "strenuous" or "expert only". As a relative hiking novice, it seems too advanced for me, but may be that's because of the location and not the author. "Something work toward" my husband says. Otherwise the layout of the book is nice and the descriptions sound good, though I have no been out to hike yet (and likely won't take this book with me).
3 of 3 people found the following review helpful. Highlights great hikes in Whites
By hikers4
This book does a great job of highlighting and describing some of the most popular hikes in the White Mountains. If you intend on doing a lot of hiking in the White Mountains, I would suggest a more comprehensive guide like the AMC guide. Or if you get this book, buy a topographic map as well.
0 of 0 people found the following review helpful. Guide Book Extraordinaire
By Jayeb
I'm going to the White Mountains and I want a good guide book for hiking and backpacking. After reading several reviews I was confident that this guide was the most comprehensive. I haven't started my journey but have outlined many adventures and will surely take this guide book with me on every one of them.

State Hiking Series Each guide includes:- Hikes suited to every ability- Accurate directions to popular as well as less-traveled trails - Up-to-date trail descriptions with mile-by-mile directional cues- Detailed trail maps and GPS coordinates- Difficulty ratings, average hiking times, and best hiking seasons for each hike- Trail Finder for best hikes with dogs, children, great views, or wildlife viewing- Information on fees and permits, contacts, events and attractions, restaurants and accommodations, canine compatibility, and more- Zero-impact and wilderness safety tips and techniques *** This book covers the best day hikes and weekend backpacking trips in New Hampshire's breathtaking White Mountains. It takes readers to the most scenic hikes in the state, some well-known and others off the beaten path.

From the Back Cover
Lace up your boots and sample thirty-nine of the finest trails the White Mountains have to offer. Whether you are in search of a 360-degree mountaintop view, a dramatic waterfall, or a pristine pond, this guide takes you to the most scenic locations in New England's most rugged mountains, some well-known and others off the beaten path. Take in incredible views from the fire tower atop Mount Cardigan; climb along Franconia Ridge with its endless views; trek up to Arethusa Falls, the highest waterfall in New Hampshire; or tackle Mount Adams, Mount Washington, and other peaks in the Presidential Range.
