Or you can traverse the Minisink Battleground, a shady natural area once erupted in battle between British, Iroquois, and American troops. Or explore Fort Niagara and walk along lookout points that French soldiers occupied as far back as the 1600s. *Hiking through History New York* profiles forty hikes, going beyond stating miles and directions for each hike to include rich descriptions of the history underfoot. Whether you're a curious tourist or a local history buff, this is a comprehensive guidebook to the area's natural and human history.
