The map is great, organizes in to area and height and a couple other categories. Every fall has very detailed map, great write up on the hike, and an amazing color picture. I am trying to plan a trip and am soooo happy I bought this. I will be buying more from falcon series.0 of 0 people found the following review helpful. For the explorersBy debra scogginsI bough to this copy for my dad now that he has moved to TN. I love my copy and it's perfect for exploring.
