Roddy Scheer, Adam Sawyer : Hiking Waterfalls in Washington: A Guide to the State's Best Waterfall Hikes before purchasing it in order to gage whether or not it would be worth my time, and all praised Hiking Waterfalls in Washington: A Guide to the State's Best Waterfall Hikes:

3 of 3 people found the following review helpful. Find some gem fallsBy RHINO MOMWe have used another book in

the past, but bought this one and the Oregon one for more concise information. We were only in WA for a week, but found this book useful with directions and skill level of trails. We plan on more trips to WA in the future and hope to see more waterfalls. It doesn't have all the falls, but with the 2 (A Waterfall Lovers Guide, NW (WA, OR, ID) by Gregory A. Plumb) books, we can find a lot of different waterfalls around the state. 1 of 1 people found the following review helpful. Five Stars By D R Bought for a fr and they like it a lot. TY1 of 1 people found the following review helpful. Five Stars By Douglas Osterdahle excited to have received it, very pleased

Hiking Waterfalls in Washington includes detailed hike descriptions, maps, and color photos for the areas most scenic waterfall hikes. Hike descriptions also include history, trivia, and GPS coordinates. This book takes you through state and national parks, forests, monuments, and wilderness areas, and from city parks to the most secluded corners of the area to view the most spectacular waterfalls.

About the Author Roddy Scheer is a writer and photographer specializing in nature, the outdoors, environmental issues and travel. He has been living in and exploring the Pacific Northwest since 1999 and has become a trusted source for information on the region's outdoor recreation opportunities. His writing has appeared regularly in publications including Seattle Magazine, Northwest Travel and E/The Environmental Magazine, and he has co-authored the books Mt. St. Helens: The Continuing Story (KC Publications, 2005) and Earthtalk: Questions Answers About Our Environment (Plume, 2009). Meanwhile, his stock photography collection of iconic Northwest nature and wildlife subjects includes more than 10,000 images and is represented by the Danita Delimont Agency, while his fine art prints have been featured in three solo exhibitions and are for sale directly via his website and through a handful of galleries. For more information, check out www.rodryscheer.com. After giving up a soul-crushing corporate job, Adam Sawyer now describes himself as a Professional Gentleman of Leisure. A freelance writer and photographer, he also offers guided hikes around the Portland, OR area. He has hiked extensively throughout the Pacific Northwest and enjoys sharing his discoveries.
