**Richard Zelade : Hill Country (Lone Star Guide to the Texas Hill Country)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hill Country (Lone Star Guide to the Texas Hill Country):

I was disappointed that there are no photos. The text, however, is very interesting. Much of the info I knew but even more was new to me. On my return to the Texas Hill Country I shall use this book as a guide to wonders I have not already seen. Good book. 0 of 0 people found the following review helpful. Five Stars By Beverly S.
