Liz Carmack : Historic Hotels of Texas: A Traveler's Guide (Txam Travel Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Historic Hotels of Texas: A Traveler's Guide (Txam Travel Guides):

0 of 0 people found the following review helpful. Four StarsBy Bethany L.interesting1 of 1 people found the following review helpful. Great book for anyone who travels around TexasBy C. BrooksThe author visited all the hotels, spent one or more nights, ate whatever meals were available so she has first hand knowledge, not only of the properties but also the services.3 of 3 people found the following review helpful. Texas!By Amy K. BrownI am a guidebook writer and I completley enjoyed this book!Liz offers up a portrait of a rapidly disappearing Texas in a beautifully produced book that is equally at home in your glove box or on your coffee table. Rich photos, useful details, and plenty of

quirky stories take you straight into the heart of Texas, making this the perfect book for day trippers, armchair travelers, history buffs, and anyone with a love of Texana. Enjoy!

From rural towns to mid-size cities to urban metropolises and in every region of the state, more than sixty historic hotels welcome overnight lodgers in Texas. After traveling at least 20,000 miles to visit these unique accommodations first-hand, author Liz Carmack has written the essential guide for anyone looking for out-of-the-ordinary lodging or travel destinations. *Historic Hotels of Texas* includes detailed profiles of sixty-four hotels that are at least fifty years old, have been in operation as places of lodging for the majority of their existence, and are still open today. Ranging from stagecoach inns and railroad hotels to resort and community-built lodging, some facilities have retained the flavor of their origins; others have become sleek commercial establishments or have been transformed into trendy, boutique locations. Anticipating the diverse interests of travelers, Carmack offers advice in her introduction to help readers choose hotels according to taste and occasion. Whether you're looking for a romantic getaway, booking a fishing trip, planning a ghost hunting excursion, or going on a cycling tour, *Historic Hotels of Texas* offers the perfect lodging option to complement your interests. In her description for each hotel, Carmack includes fascinating historical nuggets and focuses on special characteristics that create the unique ambience so often found in these living tributes to the past. An Essentials sidebar includes contacts for reservations, room rates, payment methods, parking, and pet accommodations as well as details about amenities and facilities. The author notes the hotels historic registration status and also offers a tip or two from her experiences. Together, the information summaries and insider tips give readers the details they need to choose the hotels that best suit their tastes and to make the most of their visits. *Historic Hotels of Texas* is indispensable for travelers interested in both a good nights sleep and the culture and history of the great state of Texas.

What a gang-busters book! Elizabeth Carmacks writing is clear and concise, the material well organized and not too long for each of the hotels. The photos, the maps, and the additional information on the towns where to eat, things to do, places to get more facts are excellent. Be assured that I will plan trips around these hotels.--Frances B. Vick, Former Director of UNT Press
