**Patricia Harris, David Lyon : Historic New England: A Tour of the Region's Top 100 National Landmarks** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Historic New England: A Tour of the Region's Top 100 National Landmarks:

National Historic Landmarks are touchstones of our collective past that still resonate with our present. The six New England states have nearly 400 such places. However, important doesn't always translate into interesting and so we have Historic New England: A Tour of the Region's Top 100 National Historic Landmarks those with the most intriguing and rewarding history. In addition to historic houses, tall ships, and such quirky spots as one of the country's oldest weather stations, carousels, and sandy beaches. The book appeals to the historical enthusiast, the armchair traveler, and both local visitors and tourists alike.

About the Author Patricia Harris and David Lyon are authors of more than thirty books on travel, food, and art, including Boston, Massachusetts, Rhode Island, and Vermont New Hampshire in the Food Lovers series published by the Globe Pequot Press. They live in Cambridge, Massachusetts, not far from the Longfellow House, and can be found online at [HungryTravelers.com](http://HungryTravelers.com) or on social media by the Twitter and Instagram handle of @hungrytravelers.
