Edinburgh is one of Britain's most visited cities, and it is also one of its most historic cities. If you're visiting Edinburgh for the festivals, or as a regular tourist, Historic Walking Guides: Edinburgh is the perfect companion to

your trip. Written by Edinburgh expert Andy Hayes, this book takes you on a series of walks through the city uncovering the historic sights and attractions you'll pass along the way. Each walk is themed, so you can tackle one at a time, or simply pick the ones that interest you. From hidden gardens to public railway tunnels, there is no other guide book that uncovers so much of Edinburgh's hidden attractions and history. Each map has clear directions, pictures and a handy map to follow.
