Sharyn Alden, Sarah Alden : Historical Wisconsin Getaways: Touring the Badger State's Past (Trails Books Guide) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Historical Wisconsin Getaways: Touring the Badger State's Past (Trails Books Guide):

0 of 0 people found the following review helpful. History and Travel CombinedBy Sherry LindenThis book contains

so many wonderful vintage photos of Wisconsin. It's a great travel book for explorers and history buffs, alike! 0 of 0 people found the following review helpful. Ideal introduction for touring Wisconsin's historical sites
By Midwest Book Review
The latest in Trail Books' outstanding guidebook series, Sharyn Alden's *Historical Wisconsin Getaways* is an ideal introduction for touring Wisconsin's historical sites of interest and significance. Readers will become acquainted with Wisconsin's agricultural, mining and manufacturing history in every region of the Badger State. A veritable compendium of information, each region of the state is showcased with historical overviews, including details for each historically significant city. There are listings of historically related attractions and events ranging from museums and restaurants to festivals and inns. Whether native born or a tourist passing through, from day-trips and weekend holidays to extended vacations anytime of the year, *Historical Wisconsin Getaways* is an ideal, highly recommended reference for planning Wisconsin trips and excursions.

Come Explore Wisconsin's Days of Yore! Journey into Wisconsin's past and experience the state's agricultural, mining, and manufacturing influences. From the first farmers to tame the land to the subterranean lead miners who were deemed "Badgers" and the industry that still supports the state today, Wisconsin's history is fascinating. The birthplace of the Republican party and home of the first kindergarten, Wisconsin often set the stage for the rest of the nation. Take a trip back in time through Wisconsin's past with this useful guide. Historic places, people and events come to life in the delightful period photography featured. Included is information on where to stay and dine while exploring the Badger State's heritage. This is a great resource for Wisconsin travelers and history buffs of all ages.

About the Author
Sharyn Alden is a Madison-based writer who owns and operates her own communications business. A Wisconsin native, she does a lot of writing for seemingly countless newspapers, including the Wisconsin State Journal.
