It is an excellent way to acquaint children with George Washington before a trip to DC. I used it to begin a discussion with my children about all they would see and to help them understand some of the history of the city. And for me, it is a reminder of how lucky I am to be born in such a fascinating place.

This sexy laminated city map package refolds easily to 4" x 9" (32" x 9" open) and snugly fits into your pocket. Buy this map to gain instant Sydney StreetSmarts.
