There are several pictures of Route 66 locations along with pictures of bikers. The stories are fun to read and give you an insight as to the different restaurants that are mentioned in the book. There are several great recipes. I have made Fred and Red's Chili several times as well as Funk's Grove Maple Sirup Bars which are fantastic! There is also a section titled "Hog Handbook" which covers such topics as "Biker Speak"; "Biker Mother Road Essentials"; "Biker Pit Stops - A list of authorized Harley-Davidson dealers located on the Mother Road in the eight Route 66 states"; "Biker Mother Road Test"; "Biker Celebs"; "Biker Tunes for the Mother Road"; "Food Festival Fun on Route 66"; and "Route 66 Associations". If you are looking for another good Route 66 book by Michael Wallis, you won't be disappointed with this one.

Hogs on 66 mixes food, fun, and the freedom of the road in colorful photographs, stories, and information about Hog-friendly Hangouts, where to buy your Harley stuff, road tips, profiles from the road, biker wedding spots, and several hundred favorite recipes from towns along the Route. You'll learn all about butt darts in Vega, Texas and other behind-the-scenes tales from Harley tours down 66. You'll meet Harley celebrities who've traveled the road, such as Franklin Graham and Reba McIntyre.
