Holy City of the Wichitas By JLowry This is a delightful book chronicling in word and pictures the longest running outdoor Easter pageant in North America from its beginning in 1926 to the present. The author has a very clean, descriptive style which conveys her love for her subject matter to the reader. The book is historically sound and a real treasure for anyone who has ever visited the grounds, or ever plans to.

It is a trip back in time, only 100 miles from Oklahoma City and northwest of Lawton. In the time line of history, the

Holy City of the Wichitas is just a youngster at 84 years old. Here the future is spoken of as well as the past. The Holy City is now as it has always been. Visitors can walk the pathways, feel the boulder-clad buildings, be married in the breathtakingly beautiful chapel, and see the Prince of Peace pageant. The original setting was five miles to the east in mountainous Medicine Park. Many events had been set in motion for this time in history: the economy of the day, the arrival of a slightly built young minister with a magnificent dream, and a president of the United States, Franklin Delano Roosevelt, who was willing to become involved.
