Patti Nickell : Horse Lover's Guide to Kentucky before purchasing it in order to gauge whether or not it would be worth my time, and all praised Horse Lover's Guide to Kentucky:

1 of 1 people found the following review helpful. Kentucky At It's BestBy MMWhat a fantastic read! I am highlighting places to see throughout this wonderful and informative book. This is not a typical travel guide, but an enjoyable read with history, elaborate descriptions, suggestions, and more. Based on the information contained within

it's pages, I would need several weeks vacation to explore all the wonderful places I have read about. Suggested reading for anyone traveling to the state of Kentucky, or for those who love the history of our wonderful country.0 of 0 people found the following review helpful. Jo's viewsBy jos picksExcellent reference of you are visiting Kentucky or just want an easy way to read up on what you want to see.0 of 0 people found the following review helpful. granddaughter loves horsesBy Joan L. Wienbarawesome book for my 10 year old granddaughter who loves horses. we are going to Kentucky this summer and can't wait

Horse Lover's Guide to Kentucky takes readers inside the most famous farms of the Bluegrass, visits its historic racetracks, and provides information on a host of equine-related attractions. The guide also recommends unique places to stay and to dine. While horses are the main focus of the book, it is also a roadmap to the state itself-its history, fascinating characters past and present and the most intriguing places it has to offer - both equine and non-equine related. More travel essays than a standard travel guide, the book seeks to bring the places alive with informative, often whimsical narrative about the people, places, and events that have shaped Kentucky.
