Charles Johnson Post : Horse Packing: A Manual of Pack Transportation before purchasing it in order to gage whether or not it would be worth my time, and all praised Horse Packing: A Manual of Pack Transportation:

0 of 0 people found the following review helpful. Expectations.By CustomerIt was everything I expected, plus more! And quick delivery. Thank you, !0 of 0 people found the following review helpful. Good book but only partially dedicated to packing with a ...By CustomerGood book but only partially dedicated to packing with a saddle. It mostly covers the aparajo and all its uses thoroughly. There is alot of information in knots and weights/distance calculations for a mule also.3 of 3 people found the following review helpful. HandyBy saddletreeThis is a handy book that takes the visual learner into mind. Drawings and examples let you follow step by step.
