Anne M. Connor : Horsing Around in Wisconsin (A Trails Books Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Horsing Around in Wisconsin (A Trails Books Guide):

0 of 0 people found the following review helpful. Minimal on trails.By DebI wanted more on trails! Other barns are irrelevant unless I am living there. Info on what trails are like and maps was what I expected and didn't get.2 of 2 people found the following review helpful. An excellent guide for equine enthusiastsBy Midwest Book

Review Professional writer and rider of 33 years' experience in the saddle Anne Connor presents *Horsing Around In Wisconsin: The State's Best Stables, Barns, And Trails For Lessons And Training*, a straightforward guide to anyone looking to discover the joy of horseback riding in Wisconsin, whether as an adult or a parent seeking to teach a child. Filled with information on 260 stables and barns suitable for boarding and renting, descriptions of 85 of Wisconsin's prime horse trails, places that teach riding lessons to all ages, and much more, *Horsing Around In Wisconsin* is a superb resource. Maps and detailed directions to various locations, as well as descriptions and summaries of what to expect, simplify the issues of travel and what to expect before one experiences firsthand the connection between horse and rider. An excellent guide for equine enthusiasts, especially useful for those seeking to spend a vacation riding. 1 of 1 people found the following review helpful. Everything you want to know By G. Shoemaker This book is fantastic! The author has been incredibly thorough in her research of the best horse stables, barns and trails around Wisconsin. It's well organized so information can easily be found depending on what part of the state you live in or are visiting. I especially liked all the added details such as which barns or trails were good for kids. She has even included therapeutic riding stables and what they offer. I haven't seen anything like this guide available anywhere. Even the pictures are great and add a lot to the book. I recommend this book to anyone interested in riding or getting their kids involved in riding.

Discover the world of horseback riding with this definitive, comprehensive guide, which is packed with information on getting started, riding apparel and equipment, how to choose a horse, who to choose an instructor, and more. Includes detailed descriptions of Wisconsin's 85 equestrian trails, distinctive maps for each major trail, amenities, contact information, and summaries of the state's approximately 260 riding stables.

A great reference for even the serious competitor to use to get out on a trail for the weekend. -- Caryn Vesperman, President, Wisc. Dressage Combined Training Assoc. I cannot more highly recommend a book for those who ride or compete in the state of Wisconsin. -- Mark D. Markel, DVM, PhD, School of Veterinary Medicine, University of Wisconsin About the Author Anne M. Connor is a professional writer and rider with 33 years in the saddle. Since her years as a self-professed barn-rat in the 1960s, Connor has ridden Western pleasure and English pleasure, foxhunted, and shown successfully in hunt seat, eventing, and dressage. She finished fourth in the Region 2 training level dressage championships in Lexington, KY in 1997, seventh at first level in Chicago in 1998, and sold her horse shortly thereafter to stay home and raise her family. She writes for several publications, including the *Chronicle of the Horse*. These days, with three children under the age of eight, Connor rides mostly for pleasure.
