Jennifer A Emerson : Houston Travel Guide 2016: Shop, Restaurants, Attractions Nightlife in Houston before purchasing it in order to gauge whether or not it would be worth my time, and all praised Houston Travel Guide 2016: Shop, Restaurants, Attractions Nightlife in Houston:

2 of 2 people found the following review helpful. 2,000 places listed in rank order By Paul Chandler If you are

expecting a guide book with pictures, maps, descriptions, index, table of contents or easy to use and find features, you'll need to look elsewhere. This publication is simply a listing of the top 500 business entries in each of four categories. Entries are listed in rank order only from 1 to 500 with 14 entries per page. You cannot find specific entries by name without looking through all 500 entries and the font size is very very small. Think: phone book white pages but without the advantage of any alphabetizing. The criteria for ranking entries is given simply as "the most positively reviewed and recommended places by locals and travelers from around the world" followed by the lists. Would I recommend this book? Not on your life. Very disappointing.

The places found in this book are the most positively reviewed and recommended by locals and travelers. 2,000 places listed and organized in four groups. "TOP 500 SHOPS" (104 Store Categories), "TOP 500 RESTAURANTS" (113 Cuisine Types), "TOP 500 ATTRACTIONS" Landmarks, Historical Buildings, Parks, Churches, Botanic Gardens, Cultural Centers, Cinemas, Performing Arts, Art Schools. "TOP 500 NIGHTLIFE SPOTS" Lounges, Bars, Pubs, Gay Bars, Hookah Bars, Latin Bars, Sports Bars, Karaoke, Comedy Clubs, Nightclubs, Jazz Blues, Adult Entertainment and many more options to visit, relax and enjoy your stay.
