5 of 5 people found the following review helpful. travel bookBy MahalThis is not so much a travel book as it is a hook up book. the author clearly was not trying to inform the reader of how to move there, but ways to hook up. The title is misleading along with the books description.2 of 2 people found the following review helpful. pleaseBy uglyluggageIf you need a book to learn how to pick up Filipina bargirls then this is for you. Not alot of useful info. And do not go to Angeles to find a girlfriend/wife.0 of 2 people found the following review helpful. getting much needed informationBy Johannes AlblasThis book gives lots of needed information for someone wanting to live at Philippines.I got much answers to my questions I had. I do thanks to the writer who did such a lot of work for helping otherones.

About the Author "I wish I could live and relax on a tropical Island, surrounded by crystal clear water, talcum white beaches and it would be filled with beautiful, exotic, sexy women catering to my every wish." How many times have you said something like this? How many times have you heard someone else say this? I said it many times. That was my wish too! Now it is reality. I wanted to change my dull boring life into a life of fun and excitement... and at a fraction of the cost of living in the USA. Now I am living the good life in an Exotic Paradise and now I always have a smile on my face. The reason for writing this book was to help others like myself who wanted to create a new life in a truly wonderful paradise. This book shows you How to Move to The Philippines. You will learn what took me years to learn. It will save you valuable time and money. I will share with you the important things you need to know about moving here... as well as giving you some of the secrets that most of the Western World doesn't tell you about in this Exotic Paradise. The rules are different here. The cost of living is very low. You can live like a King here for far less than \$1000/month. Some people even qualify for living here for "FREE"... almost. The other reason for writing this book is that 100% of the profits from the sale of this book go to providing the needy Filipino children of the rural provinces with basic medical educational supplies. So go ahead and buy a copy of this book. Not only will it be FUN to read, it will tempt you to Move to The Philippines so you can start living a good life...in this The Exotic Paradise. See you around.... By the way... My name is Paz. For nearly 20 years I have traveled the world as a professional pilot. I eventually found Paradise in The Philippine islands. I still fly as a professional pilot, but now the Philippines is my home. Use this Ultimate Guide to Living in Paradise.
