**Sarah Goldberg : How To Travel Full Time, Work Part Time, and Live A Life of Adventure** before purchasing it in order to gage whether or not it would be worth my time, and all praised How To Travel Full Time, Work Part Time, and Live A Life of Adventure:

1 of 1 people found the following review helpful. Could be UsefulBy D. LociceroThere were a couple of good tips in this very short free eBook, written for someone who would love to travel full time. I found the freelance ideas

interesting. The quick shifts between second and third person bothered me, and the book could use an editor. For instance, the section of the first chapter where the author intends to compare being a "Perpetual Traveler and World Citizen" begins with this confusing sentence: "Being a World Citizen and being a World Citizen are almost identical." What she meant to write, of course, was, "Being a Perpetual Traveler and being a World Citizen are almost identical." Still, it has some useful information and it was nice to read it free. 0 of 0 people found the following review helpful. Good Book By Advait Want to travel fulltime, while earning on the go by freelancing, then this book is for you. Want to be a citizen of the world; there are some excellent basics in this book for you. 0 of 0 people found the following review helpful. Waste of Time and Money By Pam Pal Absolute crap! This thing is a brochure with no real solid advice, just a bunch of generalizations -- useless for people with common sense. Very thin "book". Do yourself a favour and find a better book.

Looking for a way to travel the world and finance it by doing freelance work? Look no farther as I have the solutions you'll need to live the life of your dreams! Traveling around the world and living in new countries is such a fantastic experience, and with the advent of online freelance work, people are now leaving their homes and living and working abroad not in an office but in internet cafes and coffee shops! They're living their dream life of truly experiencing the world and you can too. I'll show you how. In this book you'll learn: 1. Understanding the basics of being a Perpetual Traveler 2. Tips on how to travel, explore and earn 3. My helpful guide on how to be a freelancer 4. List of helpful sites for freelancers 5. How to re-establish your home after traveling (if you do ever decide to come home!) Need another reason to buy this book? Here's a great one: I donate 5% of the proceeds from the sales of my books to Reading Is Fundamental, the largest and most respected Children's Literacy non-profit in America! Explore the world. Live in and learn new cultures. Make it all happen as a freelancer. Learn how by buying my book today!
