

## Whale Spinner Dolphin Behaviors Guide (Laminated Single Sheet Field Guide):

Understand the fascinating humpback whale and spinner dolphin behaviors you'll see when you're out whale watching in Hawaii. Illustrations are highly detailed, scientifically accurate, and accompanied by a short description of the activity. Waterproof, durable with UV resistant inks, 7"x11" (or 17.85cm x 28cm), the perfect size. Single sheet. Double sided. Beautifully detailed scientifically accurate illustrations by Uko Gorter, a well regarded scientific and natural history illustrator who specializes in marine mammal illustration. Rainforest Publications' Hawaii Marine Guide Series was developed in conjunction with Sunburst Publications. Our wildlife guides are the perfect companion if you're a naturalist, critter watcher, or adventure traveler.

About the Author Rainforest Publications specializes in the Wildlife and Natural History of the Americas, particularly tropical environments. Our wildlife guides are the perfect companion if you're a naturalist, bird watcher or adventure traveler. Our illustrators live in Costa Rica and are tops in their field of interests. Our scientific staff continually updates the guides so the information is complete and accurate. Our print company is locally owned by its employees. Our guides are printed in the US on recycled paper.
