**Robert Russell, Russell Roberts : Hunter Travel Guide's The New Jersey Handbook (Adventure Guides Series) (Galapagos Traveler's Guide)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hunter Travel Guide's The New Jersey Handbook (Adventure Guides Series) (Galapagos Traveler's Guide):

An incredibly diverse state with an amazing array of things to do, New Jersey is so small that everything is within a few hours' drive at most. There's the shore, with its sandy beaches, where the boardwalk and saltwater taffy were invented; the northwest, a region of green rolling hills, magnificent valleys and picturesque towns ignored by time; the southern counties, with their lush farms and a simpler way of life. Even the northern counties, often dismissed as concrete jungles, are loaded with zoos, arboretums, historic sites and museums. This guide, a goldmine for residents and visitors alike, tells you all about the best amusement parks, historic sites, cultural attractions, beaches, boardwalks, parks, forests, and much more - plus sections on restaurants, hotels and shopping - in every county.
