Steve Orme : Hunting Hidden Mickeys: A Photographic Guide to Hidden Mickeys: Disneyland Edition before

purchasing it in order to gage whether or not it would be worth my time, and all praised *Hunting Hidden Mickeys: A Photographic Guide to Hidden Mickeys: Disneyland Edition*:

The first, and only, photographic guide book to Hidden Mickeys, the iconic Mickey Mouse shapes that are hidden throughout all Disney Parks. *Hunting Hidden Mickeys* provides 1,700 full-color and beautiful images depicting the famous Mickey shapes, giving readers a wonderful opportunity to fulfill personal Hidden Mickey quests. Some obvious, many obscure and well hidden, this book will open the eyes of anyone seeking to locate these fanciful shapes, which are popular with anyone who visits Disneyland.
