James Kavanagh, Waterford Press : Idaho Birds: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Idaho Birds: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide):

3 of 3 people found the following review helpful. this is great fold out laminated bird watching guide we are feeding ...By lynne f magnessthis is great fold out laminated bird watching guide we are feeding the wild birds bird seed bells and peanut butter suit blocks its fun to finally know the names of the birds that drop down in our yard to get something to eat or drink plus the wild hawks and hummingbirds too..easy to read nice big pictures of each bird laminated organized into water birds, perch birds, hummies,,ect ect great for a beginner or slap your forehead oh i didnt know the name of that wild woodpecker ...great for all ages ...simple pleasures of feeding the birds on a day they are freezing their tuches off2 of 2 people found the following review helpful. with great photos. Good to bring with in your car ...By Theresa KurtzbeinSmall little pocket guide, with great photos. Good to bring with in your car or for your little nature walk to explore and be able to see and name the birds. Great pocket guide for bird lovers!0 of 0 people found the following review helpful. being able to use it easily while kayaking and birdingBy FolkartcarverI purchased the folding South Carolina bird pocket guide for a present and the recipient was thrilled with it, being able to use it easily while kayaking and birding. The plastic coating protects it near the water, and the thin size makes it easy to put into their pocket while birding. It was a great,practical gift!

The Gem State's diverse habitats are the permanent or migratory home of 409 species of birds, including the stunning state bird, the sky blue mountain bluebird. This beautifully illustrated guide highlights over 140 familiar and unique species and includes an ecoregion map featuring prominent bird-viewing areas. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by visitors and residents alike. Made in the USA.

From the Back CoverIdaho Birds, An Introduction to Familiar Species, is a must-have, reference guide for beginners and experts alike. Whether you're on a nature hike or in your own backyard, you'll want to take along a copy of this indispensable guide. The Pocket Naturalist(tm) series is an introduction to common plants and animals and natural phenomena. Each pocket-sized, folding guide highlights up to 150 species and most feature a map highlighting prominent sanctuaries and outstanding natural attractions. Each is laminated for durability. (3 1/2 X 8 1/4 folded, opens to 22 X 8 1/4, color illustrations, map)About the AuthorZoologist Jim Kavanagh has made a career out of introducing novices to plants, animals, the sciences and world cultures. In addition to creating over 500 simplified nature guides, he has also authored guides to languages, cities and outdoor skills. An avid traveler and backpacker, Kavanagh's path has taken him around the world to many remote destinations including the upper , Africa, Australia, and the Arctic Circle (and this is just the As). He is also the author of a series of state-specific guides to common species and natural attractions and a children's book on evolution. With 650+ titles in print and 6.5 million copies sold, Waterford Press publishes the largest line of folding-format reference guides in the industry. Our mission is to connect people to the natural world by making knowledge about wildlife identification, outdoor recreation, travel, and safety and survival skills accessible to a wide audience.
