It helps a great deal if you have spent some time in Idaho prior to using the book.0 of 0 people found the following review helpful. A real gemBy C. MillerBought this book for our trip to Montana which had us pass through Idaho. If you enjoy nature and getting away from the

crowds...this is great. Be sure to pay attention to weather and always go with a full tank of gas. When they say off the beaten path, they mean it. 0 of 0 people found the following review helpful. good .By Customer i think it is very good , have a good experience. suit for this price . i receive it very fast. The product has an excellent edge, works wonderfully on my homemade bread!

From a monastery that sits high on a hill above a prairie to fossil beds in a valley to a magnificent canyon, this indispensable guide leads the way to hundreds of unexpected Idaho treasures just waiting to be discovered.
