An extremely funny little ditty that will confirm your fears By A Customer I like David Brenner. He's one of the funniest comedians I've ever seen. If you've seen David, live on stage, his writing contains the same style of quick wit, hit em' hard and knock em' over enthusiasm that has you flying across the pages. This is a pretty good book. For most, David will confirm your fears about traveling. The rest will grab a few anecdotes you can use to spice up your vacation stories when you return home. A fun, easy-reading, humorous book!
